

# MINISTERING TO YOUR WIFE

## *Leader's Guide: FR3-3*

Lecture time: 47 min.  
Discussion time: approx. 30 min.

### **Leader's Oral Opening Comments**

- Dear friends — no good home life = no good pastor and = no good church life. This lecture puts the responsibility where it belongs — on the husband. In most cases it was the man who found the woman and wanted to marry her, so it is his responsibility.

### **Leader's Oral Closing Comments**

- You may wish to lead your group in oral prayer covering the "Closing" part of the Lecture, or assign 6 of the men to lead. Each can cover one of the 6 parts listed.

### **Discussion instructions**

After listening to the lecture, hand out a copy of the questionnaire to each student.

- Allow your students about 15-20 minutes to fill out the questionnaire. Have them remain quietly in their places when they are done, until everyone has had a chance to finish it. This will help them consider the questions seriously and answer them well.
- When they have answered the questions, allow about 10-15 minutes to discuss any questions that they have thought of as they were writing.

### **Prayer instructions**

- Not mentioned in the lecture is "Praying for your Wife". Provide some time today during your lunch break for the men to: Go for a 'walk and a talk' with the Lord.

### **Pass-out material instructions**

- Pass out the "Closing" section of the Lecture for easy prayer reference.

### **Practical assignments**

Pass out the written assignment to all, then discuss.

### **Special adaptations for unique groups**
