

# HOW TO DEVELOP ATTENTIVENESS

## *Leader's Guide:* PD12-3

Lecture time: \_\_\_ min.

Discussion time: approx. \_\_\_ min.

### **Lecture handling instructions**

- Your spiritual assignment is to grow leaders for God.
- Replace the word 'parents' with leaders, bosses, family, etc. which is more applicable for the men we are serving. □ But — the principle remains the same □

### **Leader's Oral Opening Comments**

- This lecture clearly illustrates one of the key ingredients of a good discipler, i.e. to listen and pay attention. A great leader learns to see more than the obvious, more than the person in front of him. His whole being is engaged in and given over to the issue presently at hand. He sees the background and the depth as well as the future of an issue.

### **Leader's Oral Closing Comments**

- What a unique and in-depth way to learn and practice 'Attentiveness'.
- Let us really discuss this in-depth.

### **Discussion instructions**

Use this discussion to let the Holy Spirit speak

### **Prayer instructions**

- Break-up the discussions very frequently and have one person lead a prayer about that specific topic they are discussing at the moment. Then let them proceed a few points and stop and to it again, and — again, and — again.

### **Pass-out material**

The Discussion Instructions

### **Practical assignments**

- Gather your family together and teach on this topic. After that preach on this topic in your church.

### **Special adaptations for unique groups**

Get your Sunday school teachers together and do this seminar with them.
