## *Leader's Guide* PD16-3

Lecture time: ? min.

Discussion time: approx. ? min.

### Lecture handling instructions

- Your spiritual assignment is to Grow leaders for God.
- Replace the word 'parents' with leaders, bosses, family, etc which is more applicable for the men we are serving. ☺ But — the principle remains the same ☺

### Leader's Oral Opening Comments

- Lecture PD16 clearly illustrates the value of orderliness for church leaders. Great spiritual leaders like Moses, Joshua, David, Solomon, Daniel, Ezra, Nehemiah and many great secular leaders throughout history have shown how orderliness played a big role in their success. The truth is simple, brothers: God is a God of order — see creation details. Satan is a god of disorder and chaos. Let us pray and decide to make some changes in our lives even before we listen to this lecture.

### Leader's Oral Closing Comments

- What a unique and in-depth way to develop 'Orderliness'. Changing from disorderly to orderly may not come easy for many of us. The key to remember is: "**Orderliness is easier than Chaos.**" For effectively working with a team, orderliness is **mandatory**. Let us really discuss this in-depth.

### Discussion instructions

As usual let your MEN talk and pray. Do NOT limit your time

### Prayer instructions

- Break-up the discussions very frequently and have one person lead a prayer about that specific topic they are discussing at the moment. Then let them proceed to the next item and stop and pray again, and — again, and — again.

### Practical assignments

- Gather your family together and Teach on this topic. After that preach on this topic in your church.
