

### **THREE: THE ACTIVE DECISION** *I am a person of action.*

1. Ask each person for one fear they are facing about meeting MEN on the street.
2. What actions do you think we can take to face and overcome these fears/hesitations?
3. What action are you going to take, what decision, to be courageous in speaking to men about the Good News?
- 4 Discuss: What do you want to be remembered for?
- 5 Discuss: How will the world be different at the end of your life because of you?

#### **Things to pray about.**

Ask God to make you a man of action, not just talking and thinking.

Ask JESUS for the courage to speak up boldly as His ambassador.

Ask Him to make you a person who will bring spiritual change to Ukraine.
