

SPIRITUAL ENTHUSIASM

Small Group Discussion Questions

1. What is the danger in trying to measure what God is doing in our ministry/through us?
2. If Paul had tried to measure the results of his ministry, how successful would he have been? Why?
3. If you try to measure the results of your ministry, how successful will you be? Why?
4. How can we be assured of being loved by others in our ministry?
5. Does God want your ministry to have the prayer support it needs?
6. What steps can you take to assure your ministry of the prayer support it needs?
7. What is it in us that encourages devotion in others?
8. What is the power for our service?
9. How do we access that power?
10. How do we get a “hot heart for Jesus Christ?”
11. If there are still issues you have questions about, please raise them now.
