

CONQUERING THE WHOLE LAND FOR CHRIST

Leader's Guide: MP10-3

Lecture time: 41 min.
Discussion time: approx. 30 min.

Leader's Oral Opening Comments

- All the messages the prophets and the apostles gave, they gave to the leaders of the people. Their messages always contained one theme: Don't draw back but **advance, and blessing will come** from God. If you will do this now, this will become your very best year. This is my hope for you. **Be sure you advance.** Set a conquering pace! Take 100 men who love no one but God and who hate nothing but sin, and you will change the face of our nation.

Leader's Oral Closing Comments

- Throughout the Old Testament, God used special visionary people—the prophets—to encourage His servants. God raised up prophets in different villages in the land. Their message pierced the air like a warning bell. They were heroes who were not afraid to stand alone. They burned with passion to do His will. God is still looking for heroes. God is looking for men of action. And God is looking here today. He is looking for brothers who will do more than the minimum. God might be looking for you.

Prayer instructions

- Close with the prayer for the creation of a spiritual country.
- Suggestions for private prayer time:
- Heavenly Father help me to face my struggles — Lord I want to Be Faithful — Jesus I want to do the Work — Holy Spirit enable me to endure Hardships.
- When Alone I need You Holy Spirit. Bring whatever supernatural enablement I need to do even better.
- Heavenly Father what does it mean "Your will be done, Your Kingdom come?" How does that apply to me to conquer **my** whole area for you?
- Open my eyes Lord to see who were the former Mighty Men here? Who are your Mighty Men now which can work with me? What should their tasks be? Show me who are the future Mighty Men that you want me to prepare?

Practical assignments

- At the next Seminar present a list with ideas about conquering your area.
- List your **mighty** men and describe why or how you see a mighty element in that person.
- Make a plan or list of suggestions for each mighty man and what your request/desire is regarding him.
- List what you can do to help that mighty man become even more successful.
