

INDIVIDUAL ANALYSIS CHART

A good question for each Christian leader is. Are you raising up 12 new men like yourself?
 Many leaders see the value and challenge of this and want to do just what Jesus did.
 How to formulate a concrete plan and initiate a strategy is often the question.

Would something like this to help me track my men / ministry better?

Would it be an easy tool?

Would it help me to present a great picture of my work?

Would it be a powerful tool to show partners where I am and where I am going with these people?

Would it provide a clearer target or deadline?

While looking this over, what picture of your ministry comes to the foreground?
