Precious Father and Mother,

MORNING FAMILY TIME - 15 minutes

Building a strong family with protection for your children begins each morning before or after breakfast. Prepare your child and spouse to face a day in the world of school and work contacts and affairs. A brief Bible reading, with an adaption of a children's Bible story and 8 minutes of Prayer Protection with this Prayer Notebook. Kneel down a few moments and each child can join to pray 1 minute per topic.

Morning Family Time is for your family! How are your children growing up differently from those in the home of unbelievers?

Having 15 minutes of **Morning Family Time** faithfully 5 days a week will bring your family together around the throne of God — that is where you and your family belong — together. A relaxing spiritual family bond - then face the world in power!
